

Melissa George's red-hot

Life's a beach for Melissa George as she enjoys some time out with her man

Romance was definitely in the air for Melissa George and her Chilean film director husband Claudio Dabed as they lapped up the sunshine at an exclusive hideaway in Bora Bora, Tahiti.

The couple, who married in 2000, proved they are closer than ever, holding hands, sharing cocktails and kissing while relaxing at the secluded resort.

'They looked so in love, like they'd only just met,' an onlooker says. 'They couldn't keep their hands off each other.'

The 32-year-old actress, who has cracked the US market with roles in shows including *Grey's Anatomy*, took a well-earned break – showing off her stunning figure in a black cut-out one piece. The couple happily swam in the clear waters and spent hours talking.

Known for her sense of style, Melissa managed to bring glamour to her romantic beach holiday.

'If you're a woman, you should be elegant,' she says. 'Just buy less and buy well. I don't have a lot of stuff. I wear the same things all the time.' **NI**
